An Excruciatingly Opinionated Guide to the Connecticut Shoreline

CALENDAR DEALS EAT SHOP TRAVEL TOWN GUIDES

In advance of Girls Night, I browsed through Guilford to put together my personal wishlist. Here are just a few tempting items; you'll find so much more in town.

Please join us for our biggest Girls' Night of the year on Thursday, 12/6 from 5 - 9pm. It's free and FUN!

Hope to see you there,

Erica

p.s You'll find these fab silk scarves above at Swish.

p.p.s. A piece of jewelry was found during Girls' Night in Essex at the Black Seal. Contact them if you lost something.

**The Details:** Meet The E List team between 5 pm and 6:30 at The Marketplace at Guilford Food Center for wine and beer specials and free hors-d'oeuvres, and to pick up your E List sticker to qualify for discounts.

We are adding a **second CHECK-IN** location at Java Hut (20 Church Street) if you'd rather start your shopping at the top of The Green. Pick up stickers here as well and peruse the Quonset Hut shops. Then head out to the boutiques along The Green and take 20% off almost everything (some exclusions apply) at participating boutiques.

**Tracy Brent Collections, 76 Broad Street - Tracy 2 and Tracy Coast & Country, 71 Whitfield Street**

Most of us think of Tracy Brent as the destination for party dresses and contemporary sportswear, but it's also a good spot for footwear. These cozy hikers have my name on them!

**Page Hardware, 9 Boston Street**

If you miss an old-fashioned hardware store that carries everything under the sun, plus a knowledgeable staff that actually can help you find whatever it is you're looking for, head straight to Page. Everything (except large appliances and vacuum cleaners) are 20% off, and I've got my eye on this Cuisinart Air Fryer!

Over 50 shoppes and eateries. It takes a Village to find the perfect gift! Exit 90 off I-95 | oldemistickvillage.com

**Ella Where She Shops, 90 Broad Street**

From the perfect stretchy stirrup pant (yes, they're back!) to an entire wardrobe refresh, you'll find it here. These Bandolier phone cases are genius. Pack your phone, a few cards, and a lipstick in this cross-body and out the door you go.

**Marijane Boutique, 57 Whitfield Street, #2**

We've all got enough little black dresses in our closets and - news flash - purple looks great on everyone! This crushed velvet number (by Velvet) with chic 3/4 sleeves is an easy solution to holiday parties and events.

**Onyx of Guilford, 20 Church Street**

Sometimes a fancy blouse is all you need to whip up a holiday find (that's my secret anyway!) and you'll find plenty here. I loved the collection of chiffon blouses from Australian-based Ark.

**BSK Design Moving SALE! 20 Church Street, Guilford**

BSK Design will be transitioning from Chroma Gallery to the iconic Green Gallery in January of 2019, so that Barbara can combine the two passions in her life under the same roof: creating art and seeing her wellness/forgiveness clients. The new space will offer workshops and lectures and provide a place of community where creativity and healing take place together.

Head to BSK for a **giant moving sale** now through December, and discover dichroic glass jewelry, beaded necklaces, Judaica, vases, platters and more, for holiday gifting or your holiday table.

**Artistry at Guilford Art Center, 411 Church Street (near the 95 exit)**

Every year, the Guilford Art Center fills the barn with over 250 American artisans featuring handmade works in all mediums. You'll find ceramics, scarves, ornaments, toys, ties, leather bags and more curated by the team at Guilford Art Center.
