An Excruciatingly Opinionated Guide to the Connecticut Shoreline

One of the great things about my job is that people let me snoop through their houses! There's nothing I

like better than some REAL interior inspiration (vs. a magazine layout or blog) and the two I've featured here are friends of mine. Granted, these couples have exquisite taste, but their homes are intensely personal, too, and tell a story about what's important to them. I always feel I know a person better after I see what they like to surround themselves with. Hope you enjoy this glimpse as much as I did.

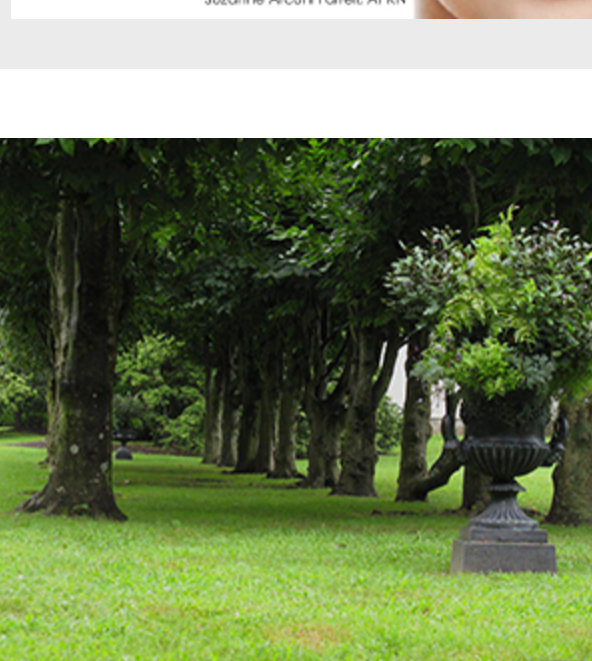

p.s. TODAY'S the last day! Enter our contest by 5pm to win a \$500 shopping spree at the Insane Insidewalk Sale and can't wait to see all your faces on Friday.
