An Excruciatingly Opinionated Guide to the Connecticut Shoreline

CALENDAR   DEALS   EAT   SHOP   TRAVEL   TOWN GUIDES

Well, it's taken us a bit longer than we expected to get our e-commerce off the ground! Today is the LAUNCH and

from now on you'll be able to buy our selections from the comfort of your couch! We, of course, would love you to come visit us in Chester and get expert wardrobe advice from our helpful team, but if you prefer to shop in your bathrobe, that's now an option, too!

We'll always have fresh products on our homepage or you can go directly to: [www.theelistshop.com](http://www.theelistshop.com)

We'd love it if you'd help us spread the word and share this email with your friends.

love, Erica

**Dresses**

**Jeans**

Nothing is easier than a dress and we're all about them this Spring. It's the answer to the morning rush, just pull it over your head: no mixing, no matching. We've got a fun assortment of styles to fit all body types and occasions.

[Have a look at our dresses here.](#)

Our selection of denim was based on fitting a range of body types, while keeping in mind what you may already own. We've moved from skinny to straight with clean, lighter washes, higher waists and plenty of stretch.

[See the jeans.](#)

**Pants**

**Tees**

My own closet sports a handful of our favorite and classic "magic" pants, but we like to spice things up with some fun bottoms, too, including these hand-blocked, super lightweight cotton numbers.

[See all our pants here.](#)

We're so excited for you to see our piles of perfect tees. We've got a great version for every shape and size, whether you're after an every-single-day white short sleeve crew-neck or a pigment-dyed vee, pima cotton three-quarter sleeved, high-low, boxy, A-line or fitted, cropped(ish) or hip length, striped or solid, we've got you covered. We've sourced the highest quality American manufacturers to stack your summer closet.

### Japanese at The Essex

It's fair to say my husband is as obsessed with raw fish, so as soon as we heard that the latest incarnation of The Essex was Japanese we raced over. Chef Colt Taylor loves to change things up, so an explanation is in order. Two restaurants now reside in the meticulously renovated house at 30 Main Street in Centerbrook. The larger room with the open kitchen at the back has been given over to an extremely popular Mexican cantina with a hopping bar, serving fresh takes on tacos with quality ingredients, and the Friday Fajita Night (\$30 for two) is not to be missed...
