

An Excruciatingly Opinionated Guide to the Connecticut Shoreline

SHOP CALENDAR EAT DISCOVER TRAVEL TOWN GUIDES

We all need something to look forward to and here's a good one: locally grown produce!

While Shoreline farmers' markets may look a little different this year, there are still plenty of ways to get your fresh-picked food. We've gathered a list of where, when and how farmers' markets are doing business (lots of drive-through and call ahead) and the best of the farm stands. We hope we haven't forgotten anyone, but haven't heard back from a few stragglers, so keep an eye on these articles as I'll update as necessary. It looks like we'll all be spending plenty of time in our backyards this summer, so I've rounded up some fun ideas that have caught my eye, too.

love,
Erica

Farm Stands Pandemic Update

Before there were Farmers' Markets in every town on the Shoreline, we shopped the farm stands for our produce and pies. Despite the availability of farm-fresh food everywhere, we have some favorite farm stands that we scurry to for specific goodies:
