An Excruciatingly Opinionated Guide to the Connecticut Shoreline

FUN CALENDAR EAT DISCOVER TRAVEL TOWN GUIDES

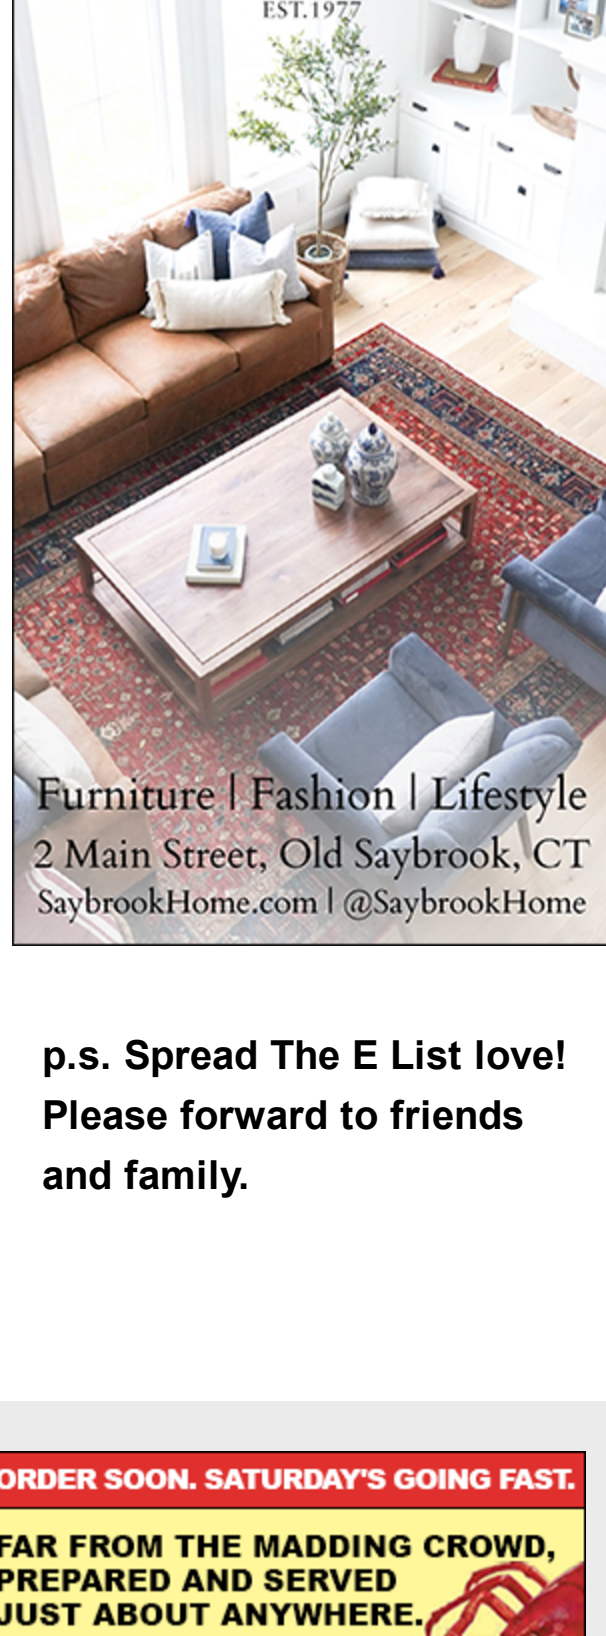

Love, Loss, and What I Wore is the book I was meant to write, but Ilene Beckerman got there first. Every memory I have is wrapped up in my outfit. At

eight years old, the white lace shift I wore to my cousin's birthday party and ruined with a bloody nose. The brown striped bell bottoms with a floppy collared shirt and belted vest for my first rock concert at nine. The matching plaid mini-skirted suit with my first pair of "high heels" (all of one inch) for the first day of fifth grade. My sister can name any event in our family history and I'll tell her the ensemble. I loved this gem of a book and can't wait to see the adaptation by Delia and Nora Ephron and staged by Saybrook Stage Company at The Kate. Get tickets and see details below.

Plus plenty of fun summery discoveries on this list!
