Guide to Summer. Thanks for all the emails and encouragement! It was a BIG project, and we're pretty happy about it because it's something we've had on the back burner for years.

Some of you have asked for a print edition. I'm testing a short run of print, but we did not create it to be a hard copy. Because it was conceived as digital, the huge advantage (besides being free!) is that you can click on any ad or article link for more information, so click away! You can also download it to your desktop or phone to easily access any time. If you'd like to order a hard copy, [email me here](#), but be advised that it's about \$25 for color printing with shipping (yikes)!

If you haven't seen it yet, click below (and share with your friends!).

Love, Erica

More Than Blooms at Folklore Flower Company in Madison

Madison meets Malibu in this sunny new shop. Owner Kate McNellis has brought her many years of floral design to a brick and mortar filled with blooms, dried flowers, and an original selection of giftable goodies. As you peruse the shelves of Cali-inspired products, Kate can whip you up a stunning bouquet or tie up a bunch of dried flowers (I did both!)...

Ashlawn Outpost Opens in Deep River

I've always surrounded myself with hardworking female entrepreneurs, and one of my favorite of the bunch is Carol Adams of Ashlawn Farm. Her energy level exhausts even me (and that's a feat). Her latest launch (just in time for the 20th anniversary) is Ashlawn Outpost, a new cafe on a bucolic farm in Deep River...

Timothy Pamment Salon

The Timothy Pamment Salon is set to make waves this Summer as they suit up to style the shoreline. We're talking color, cuts, and styles that match the season's heat.

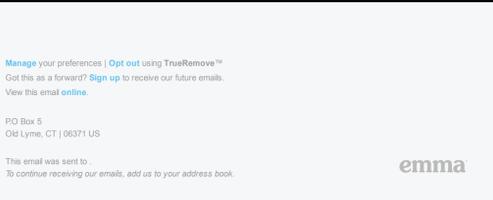

This summer has gotten a whole lot more interesting as blondes become sun-baked, and reds of all hues become kissed and bruns of all hues become monumental. Whatever the color, the key is in the shine. Get glossed and bring back your hair's shatteringly sparkle.

Gear up for hair-shattering cuts. This season's three musketeers of cuts are Pixie, Bixie, and Bob. Bob's texture is the talk of the town, Pixie is voluminous and sassy. The Bixie is the middle wild child - sporting the best of both worlds. Surprise social with this season's hottest trend, the Birkin Bang. This Parisian-chic mood is modeled after the iconic Jane Birkin circa 1960.

Join the club of the beauty-obsessed and book your next appointment at the Timothy Pamment Salon, 203-245-7707, www.timothypammmentsalon.com.
